In partnership with the University of Alabama’s Professional Staff Assembly

To donate cell phones, contact your Professional Staff Assembly representative or Patricia Powe at PPPowe@ua.edu or 205.348.6755

Verizon Wireless’ HopeLine® program puts the nation’s most reliable and largest wireless voice and data network to work in our communities by turning unused wireless phones into support for victims of domestic violence while helping the environment by disposing of wireless phones in an environmentally sound way.

HopeLine includes a successful phone recycling and re-use effort, financial support for local and national domestic violence organizations, community and corporate awareness programs, and partnerships with law enforcement agencies, professional sports teams, educational institutions and corporations.

Help us reach our goal of 100 donated cell phones by 3/31/2016
Donations will benefit UA’s Women’s Resource Center.
